Frame Recommendations:
The Kiss 30x30: IKEA RIBBA 30x30 or Studio Decor 30x30 gold frame, or thin black metal 30x30 with 2" mat if you want 36x36 look.
Parthenon 30x18.37: Custom frame 30x18.5, or buy 32x20 frame with mat cut to 30x18.5. Natural oak or walnut works best - matches Church's warm sunset. Avoid black, goes too modern.

At the counter say:
'I need a full-bleed poster, no border, no stretching. File is already at final size. Please disable color correction.'
Cost estimate: $28-52 per print.
